MEMORANDUM FOR:

Director, Office of Space Systems  
National Reconnaissance Office

25X1A

FROM:

Deputy to the DCI for Resource Management

SUBJECT:

Cost of Alternative Imagery Programs

As part of the Summer Program Review, my staff has developed alternative imagery programs (see Attachment). The costs have been estimated using data provided in the FY79 budget submission to Congress as well as data in your FY80 program submission.

I would appreciate your reviewing these costs and providing me, by 10 July, with your preliminary assessment. Any program which continues to be of interest after the Program Review will, of course, be subjected to a much more rigorous costing than can be done at this time.

Please contact  if you need more information on the alternatives or the basis for the costing.
